COMMANDMENTS FOR
CLEAN UP CAMPAIGN.

1. Do your neighbor's lot as you do your own, but be sure to love your own.

2. Do not plant tomato cans and other rubbish on unused land. Their withered civic pride.

3. Do not allow yourself or your neighbors to create dumps. Waste can be paid for its own disposal at a profit.

4. Do not allow things to tumble down and stand on valuable land. They are financially wasteful. They create filth, invite vice and are a menace to life.

5. Do not allow things to be repaired or demolished.

6. Do not permit advertising on unclean land pays for the maintenance of a public nuisance.

7. Do not allow gardens to grow where they should be mowed before.

8. Do not allow gardens to be valuable to education and recreation. They can be cultivated on open lots.

9. Do not allow children to play on the street, so they may be injured and keep out of the way of the law.

10. Do not allow a patch of land to be a nuisance. It has a divine right to bear fruit and flowers and to serve the highest interests of man.

Up and Prevent Criticism

PAINT ON which a well dressed Paul citizen was recently traveling stopped at a small house from the car window could be seen a dozen or more back yards of refuse were scattered over the ground. Here and there a glimpse of the sun.

When the citizens were dull, uninteresting and unclean. A couple of listless men and the train and sank into the apparently thankful to be the place.

When later they approached another town. There was no dismal odor. The back yards were carpeted with green grass and patches of blue flower beds. Fresh painted fences separated the lawns. The houses had been recently

WHAT PAINT WILL DO.

The Appearance and Value of Houses.

Every real estate man what percentage of value is added to a house by a coat of paint and you will see at the size of the figure he gives you. Too many householders habit of putting off painting their houses fairly screams for it, perhaps figure that they are being cheated.

Paint applied at regular intervals far apart, is the true economy. It not only actually raises the value of the house by improved appearance, but through preservative it prevents and arrests decay.

Who lets his house become a eyesore in an otherwise well kept neighborhood is doing that community, and his own, a disservice.

To readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages, and that is Cataract. Hail's Cataract Cure is the only positive cure now known to the medical fraternity. Cataract being a constitutional disease requires a constitutional treatment. Hail's Cataract Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up his constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer \$100.00 reward for any case that fails to cure. Send for list of testimonials.
